Ben and Lydia, fyi.

We are adding a quick discussion on these sites on to our Thursday 3:00 briefing. Rafael is coordinating with Ken.

Ken, Carlos just came by and informed me that Carl wants a briefing on State Marine and Palmer. Ben had mentioned the ongoing enforcement actions and settlements to Carl and Pam this morning and they now want a briefing.

Carlos wanted me to provide a brief background on the "deleted" Sites (two or three slides). I will then turn it over to you and Joseph to discuss the ongoing enforcement actions.

I am in the office today, come by and discuss. Thanks.
